SUNDAY SCHOOL DAY
will be observed next Sunday, and we should like to see every member of the church present with their friends. This celebration comes once a year with a special program, and so important that the pastor feels that it should be fully observed.

Special music, readings, dialogues, and important information that too many of the members of the church are totally ignorant of, will be given from the rostrum.

We are specially delighted with the school attendance for the last month. We give up with regrets from all sides, both church and Sunday school, also from the community, those two lovable people and christian characters, L. K. Pulliam and wife, who have just moved to Pensacola.

We are glad to welcome into church membership and fellowship, Mr. and Mrs. Bert Higgins, Sr., and their two children, Miss Elizabeth and Guy, also Mrs. Lamar Rainer and Mrs. J. W. Moore. These all have lately come to Elba, and we welcome them as citizens as well as church members.

125 Farmers Attend Vetch Demonstration On Speigner Farm; Will Demonstrate Cultivators Soon; Club Work and County Fair

M. H. Pearson, District Agent for Alabama Agricultural Extension Service, South Alabama, while speaking to a crowd of farmers last Friday afternoon at the vetch demonstration on Lee Speigner's place, stated that Coffee County had a larger number of successful vetch fields than any other county in South Alabama.

In commenting on the splendid demonstration of both the vetch field and the use of the tractor in turning under a vetch, Mr. Pearson assured the farmers of two things:

First, that there was no doubt about hairy vetch, being naturally adapted to Coffee County soils since he had seen it growing luxuriantly on a poor sandy, washed away hillside on Mr. H. Metcalf's place and also on a dozen other fields scattered over Coffee County. (It is understood that Mr. Metcalf selected this poor washed away hillside specially for demonstration purposes, and to see if it would grow on his poorest soil.)

The second fact stated by Mr. Pearson in his talk was that of 125 farmers attending the vetch demonstration, he was convinced that the interest in cooperative enterprises was strong among Coffee County farmers as any county in his knowledge. He commended the goal set by his friends in planting a car load of seed another year. Photographs were taken of the vetch field, the crowd and the Fordson tractor in operation, which pictures we hope to have in the county papers at an early date.

We were assisted in our demonstration by Dorsey Brothers, of Elba, and the Enterprise Auto Co., of Enterprise, who furnished a Fordson tractor, men to operate it, double disc plow and the regular Fordson disc harrow equipment.

Cultivator Demonstrations
Coming Soon.

The County Agent and Extension Service will cooperate with all implement dealers in Coffee County during the next few weeks in staging cultivator demonstrations in various communities over the county. Dates for these demonstrations will be given as soon as definite arrangements can be made with our local dealers.

Better machinery on the farm is a second need only to better soils, and with the splendid spirit of cooperation that has already manifested itself among the machinery and implement dealers of the county as well as on the part of the farmers themselves, we believe that the day is not far distant when a whole row of cotton, corn or peanuts will be cultivated by one trip and much labor saved by means of better machinery.

Club Work and the County Fair.
We have a large number of boys actively engaged in raising hogs and growing cotton according to the most improved method, and Messrs. Will Brunson and John Garrett of Elba, are of the opinion that a county fair this fall will enlist the sympathetic and active support of all our people.

These two men were heavy hitters last fall in our Poultry and Pig Show at Elba, and we believe that with leadership of this kind, together with cooperation of all our people, Coffee County will stage the best and best exhibition of agricultural products and live stock this fall of any county in Alabama. We will announce Sunday in Troy.

SENIORS ARE ENTER-TAINED BY JUNIORS.
The Seniors were delightfully entertained by the Juniors Saturday evening, April 25, at 7:30 P. M., at the attractive home of Miss Fannie Marsh on Davis Street. The spacious living room, dining room, and drawing room were artistically decorated with pot plants, cut ferns and white roses, the Senior colors, green and white, being carried out to perfection.

When all the guests had assembled they were invited by Miss Viola Byrd to "pair off" and go to the Elba Theatre, where they were met at the door by two attractive girls, Misses Odessa Rhodes and Frances Mitchell, as ushers. Their costumes were lovely dresses of green and white.

After enjoying a splendid picture the guests were told by the ushers to go to The Rose Tea Room, where music, jokes and various forms of amusement were enjoyed. After being served delicious chocolate and cake, the guests returned to the home of Miss Marsh, where games were enjoyed till a late hour. The guests were presented with little white baskets containing green mints.

SINGING AT ELBA SUNDAY.
The Elba Sacred Harp Singing Society met at the Christian Church the fourth Sunday afternoon for the second year of the year. Both singing have been a success.

The society was called to order by the Chairman, Bethel Bryant, who sang "Wonderous Love" after which he called on Brother V. T. Grider with prayer. The committee reported a lesson by W. J. C. Davis, W. C. Clark, W. N. Farris and D. Rowe. Recited.

Chairman sang two songs and committee reported lesson by six leaders: Howard Brooks, Clifton Cook, J. I. Maddox, J. L. Bryan, J. W. Grimes. Recited.

Lesson continued by Caney Cook, E. B. Martin, Tommie Johnson, E. D. Wooten, F. G. E. Maddox. After which the chairman sang two songs. We were dismissed by Brother Bartow Maddox, to meet again on the first Sunday in June at 2:30 P. M. The time having been changed from the fourth Sunday to the first Sunday afternoon.

All lovers of good singing are invited to meet regularly on the first Sunday in each month.

Liberty News

It seems almost but yesterday since we wrote, but two weeks have passed, and we are glad to say the health of this community is much better, but some are sick yet. We are glad to say that the little child of Brother M. B. Fuley, that has had pneumonia is better. Mrs. Sydney Boland has been quite sick but is getting along nicely now.

Mr. and Mrs. J. M. Stokes report the arrival of a little girl at their home on the 24th. We all rejoice with them for God said: "I will bless thee with children."

Last week Mr. J. J. Kendrick and Mr. and Mrs. George Davis visited Mrs. Alvy McCord, near Dothan.

Mrs. Frazier, who has been visiting her daughter, Mrs. J. J. Kendrick, returned to her home at Samson, yesterday. She was accompanied by Mr. and Mrs. Kendrick.

The farmers are up against it again. I do not recall any time in the past so serious. Most every one has a little rotton up and they are chopping it, but there is a lot of it that is not up and will not come up till we have rain. Some say it will not come up, but I think we will get a stand when it rains, but when will that be?

I had the pleasure of visiting Bell's Crossing Church Sunday. Listened to a real good sermon, and met a lot of old friends. Doesn't that beat lying around home on the Sabbath?

Went to Sunday School in the afternoon, and there was such a fine crowd out, and every one seemed so happy.

On the third Sunday Brother Kerish preached for us. It is a real treat to hear him. Brother Lowrey was present also.

There are always so many good things for us if we will just look around. Best wishes to all.

DEATH OF MRS. W. L. FARRIS.

On Monday morning at 12 o'clock, April 20, 1925, the death angel visited the home of Mr. W. L. Farris and took away the loving wife and mother of Pochontas, better known as Poca. She was the victim of flu, pneumonia and an abscess on the lungs.

We want to say that she was a devoted wife and a good mother, and was loved by all who knew her. She always wore a loving smile which we shall never forget. Yes, indeed everything was done for her that human hands could do by husband, children and friends and also the faithful Dr. Ballard.

She leaves a husband and seven children, two sons and five daughters, and also three brothers and two sisters, besides a large number of other relatives and friends to mourn her loss. She was laid to rest in the cemetery the following Tuesday, April 21, 1925. A host of relatives and friends followed her remains to the last resting place. We want to say to the relatives to cheer up for the Lord giveth and the Lord taketh away. Blessed be the name of the Lord. Weep not dear ones for she is safely resting in the arms of Jesus, and we have the consolation of meeting her in the sweet bye and bys.

PAGE 1—TWELVE SOUTHERN STATES.

This is a true Map of Dixie showing the twelve Southern States completely. It shows the Automobile roads, the best roads being indicated by a heavy red line, the second class roads by a lighter red line and the third class roads by a still lighter red line. You can easily see what a wonderful advantage this will be to you when taking a trip. In other ways the map is complete in every detail. It shows all the small towns—the railroads—the experiment stations and the agricultural colleges with a blue ring around each. It is handsomely printed in four colors and is just the map you should have hanging on your wall for ready reference.

PAGE 3—BIG MAP OF U. S. AND ALASKA.

This big map shows the entire United States and Alaska. No home is complete without an up-to-date, reliable map of our country—and this is one that not fills the bill.

PAGE 4—MAP OF THE WORLD.

How often in the newspapers you read some article about a country or city in some far-off part of the world. With this big Map of the World on the wall you can instantly locate it, adding interest to the article. A good, up-to-date map of the world like this is highly educational.

PAGE 2—TOWNS, CITIES, OTHER INFORMATION.

This page gives a complete list of towns and cities with the population and the key so that you can easily locate any town you wish. This page also contains an editorial, alphabetically arranged, telling about the work each experiment station shown on the map is doing to help you.

Goodman Items.

The fishing crowd that went to Churchwell's bridge last week reports a very delightful time. They caught enough fish to feed 25 at breakfast. Among the ones enjoying this occasion were: Mr. and Mrs. Walter Caldwell, Mr. and Mrs. Leon Caldwell, Mr. and Mrs. Clyde Caldwell, Mr. and Mrs. Edgar Bryant, Messrs Foster and David Johnson, Parrie Lee and a few others.

Mrs. Leon Caldwell gave a surprise birthday dinner for Leon on Tuesday. She served a delicious dinner under the oaks, and all reported a very grand time.

Mr. and Mrs. Edgar Bryant and little daughter spent the week end with relatives in Brundage.

We are very glad that the people of this community have made an effort toward building a Church at Goodwood of the week was the marriage of Miss Essie Goodman and Mr. Horace Fuller. We all wish them much happiness.

OBITUARY OF JOHN O. WYROSICK.

On February 14th, 1925 the death angel visited our community and took from our midst the soul of our friend and brother "Uncle John O. Wyrosick." He was a good friend, a faithful father and husband and was loved by all, both old and young, who knew him.

He was born February 21, 1855 in Butler county, Alabama, and resided there with his parents until near manhood, when he together with them moved to Coffee county, where he continuously resided till his death.

On January 29, 1877, he was married to Miss Lizzie Carroll and to that union was born one child, a girl. He and his wife disagreed and separated, and in the year 1879, he was married to Miss Josephine Wright, and to them were born five boys and two girls, who survive him together with his wife.

He was a faithful Mason, always contributing to its teachings and works. On January 18, 1902, he was introduced to the first principles of Masonry by initiation. On Feb. 15, 1902, he was passed to the degree of Fellowcraft, and on March 10, 1902 was raised to the sublime degree of Master Mason, and remained a member of Pea River Lodge No. 271, until called from labor to refreshment by the grim tyrant death. He was laid to rest at Pleasant Ridge cemetery by the Fraternity which he loved so well, and while we drop a sympathetic tear around his grave, let us set with joy to his memory the commendation that his virtue claims at our hand and may we ever imitate his example, that we like him may receive the tyrant death as a kind messenger sent from the Supreme Grand Master to translate us from that imperfect to that all perfect celestial and glorious lodge above, where the supreme Architect of the universe presides.

And may the blessings of the great Jehovah shower down upon every one who puts their trust in Him is our prayer forever. Amen.

CARD OF THANKS.

We want to thank the good people of our community for the kindness aid and assistance shown us during the sickness and death of our beloved wife and mother, Mrs. W. L. Farris. We also wish to thank Dr. Ballard, who was so good to come every time he was called, and who did everything he could for her relief. May God's richest blessings fall on each and every one is our prayer.

The benefit concert given by the Missionary society at the school auditorium Friday evening was enjoyed by the lovers of high class music, both instrumental and vocal. It was also interspersed with some delightful readings and folk songs and children's dances. This entertainment was given by Dixie's Screamers, of Troy, and sponsored by Mrs. J. W. Harris, representing the local missionary society. The stage was beautifully decorated with pot flowers, making a lovely background for the beautiful girls and handsome boys who participated in the concert.

The Sunday School Day celebration was held last Sunday, and the songs were well sung and the renditions on the program were carried out by each department in a creditable manner. Our Sunday School is making fine progress, and we are proud of its record. This same program will be given at Liberty on the third Sunday in May.

We hope that Mrs. E. F. Blocker, who is now in St. Vincent's infirmary, at Birmingham, will be greatly benefited, and return to us strong and well.

Dr. W. P. Hurt, presiding elder, held quarterly conference Monday. He urged every one to make at once a subscription to the Memorial Hospital at Montgomery, which is supported by the church. Elba church is asked to give three hundred dollars as its part of seventy-five thousand for this conference. Also each member of the church is asked to make a contribution of one dollar to keep the charity part of the hospital going. The first two months they served 82 charity patients, and it is their policy never to turn away anybody for lack of funds.

Dr. Hurt will hold quarterly conference at New Brockton on the first Sunday in May.

There will be services at Liberty next Sunday at 3 P. M.
